This website uses cookies so that we can provide you with the best user experience possible. Cookie information is stored in your browser and performs functions such as recognizing you when you return to our website and helping our team to understand which sections of the website you find most interesting and useful.

In addition to cookies that are strictly necessary to operate this website, this website uses [Google Analytics?] to collect anonymous information such as the number of visitors to the site, and the most popular pages. Keeping these cookies enabled helps us to improve our website.

You may withdraw your consent to these cookies and review our cookies policy at any time once you have entered our website through a hyperlink at the bottom of [each page] on the website.

COOKIES POLICY OVERVIEW

This Cookie Policy explains how Northwest Metals Group Limited (“NMG”, “we,” “us,” or “our”) uses third-party cookies on our website (the “Site”), and the choices you have. If you do not accept the use of non-essential cookies, please disable them by following the instructions below or by changing your browser settings so that cookies or similar technologies from our Site cannot be placed on your computer or mobile device. This Cookie Policy provides you with clear and comprehensive information about the cookies used and the purposes for using cookies. To review the privacy policies that apply to users of www.northwestmetalsgroup.com, please read our Privacy Policy available *here*.

Definition of “Cookies”. Cookies are small text files that (a) uniquely identify your browser or device and (b) are used to store and receive information on web browsers, phones and other devices. When you return to a website (or visit websites that use the same cookies) these websites recognize the cookies and your browsing device.

Types of Cookies. General cookies do many different jobs, like letting you navigate between pages efficiently, remembering your preferences and generally improving user experience. Cookies can tell us, for example, whether you have visited our Site before or whether you are a new visitor. Cookies can remain on your computer or mobile device for different periods of time. Some cookies are “session cookies”, meaning that they exist only while your browser is open. These are deleted automatically once you close your browser. Other cookies are “permanent cookies”, meaning that they survive after your browser is closed.

What Types of Cookies Do We Use and How Do We Use Them? We use certain cookies for functionality purposes as explained below (for example, to distinguish between particular users). Should we choose to use other cookies in the future, this policy will be updated and your consent will be requested prior to our use of these new cookies on the Site. We describe below the various types of cookies we use and the functions they perform:

- Browsing or session (essential) cookies: These cookies are used to customize the language preferences of our Site.
- Customization cookies: These cookies are used to enable certain features.

In detail, the cookies present on the Site are as follows: [insert description of technical names of cookies, the types of cookies and their function, the duration of the cookies and how to disable the cookies).

Changing Your Cookie Settings. We use cookies on our Site to make sure you can use and enjoy our Site easily. Some of these cookies are essential and we can't provide our information without them, but there are others that can be turned off. You have the right to choose whether or not to accept these optional cookies. However, please note that if you choose to refuse cookies you may not be able to use the full functionality of our Site. Please note that internet browsers also allow you to change your cookie settings. Most browsers will allow you to choose the level of privacy settings you want. This lets you control your cookie settings so that you can:

- See what cookies you have and delete all non-essential cookies on a collective basis;
- Block third party cookies;
- Block cookies from particular sites;
- Block all cookies from being set; or
- Delete all cookies when you close your browser.

These settings are usually found in the “options” or “preferences” menu of your internet browser. To understand these settings, you should use the “Help” option in your internet browser for more details.

Deleting cookies means that any preference settings you have made on our Site may be lost. If you have set your preferences to opt out of cookies, this setting will be lost too, as that information is stored in a cookie. If you choose to reject cookies, as noted above, you may not be able to use certain features of our Site. We do not recommend turning off all cookies when using our Site as we cannot guarantee that your experience on our Site will be as good as it could otherwise be.

Changes to Cookie Policy. We may occasionally amend this Cookies Policy to reflect our activities and user feedback, and we reserve the right to make changes to this Cookies Policy at any time. The provisions contained in this Cookies Policy supersede all previous notices or policies regarding our privacy practices with respect to the Site. When we post changes to this Cookies Policy, we will revise the “Last Updated” date at the top of this page. If we make any material changes in the way we collect, use, and/or share information held in cookies, we will notify you by prominently posting notice of the changes on our Site. We encourage you to check our current Cookies Policy frequently to be informed how we are committed to protecting your information and providing you with improved content on our Site in order to enhance your experience.

Cookies that Have Been Set in the Past. If you have disabled one or more cookies, we will still use information collected from cookies prior to your disabled preference being set. However, we will stop using the disabled cookie to collect any further information.

Contact Us. If you have any questions or comments regarding our Cookies Policy, please contact us at: info@northwestmetalsgroup.com
